

Save the Dates for NHE 2027

Soil Judging Contest: October 1, 2026 at UNH, Kingman Farm.

- A worthwhile training and competition opportunity.
- **Not an NHE run event**, but many of the professionals and skills are transferable.

Fall Training: October 28, 2026, Training Day - teachers & students.

- Mt. Kearsarge Indian Museum, Warner, NH
- Hands on learning and practicing field skills and content
 - taught by natural resource professionals.
 - led by the NHE steering committee.
- PD opportunity for teachers to learn about the NHE and learn from colleagues.

Spring Webinar: April 14, 2027.

Adequate student participation required.

- Virtual training for students.
- After school webinar.
- Oriented around the 2027 Current issue challenge topic.
- Goals include:
 - cooperation between students and schools
 - review of data and other provided information
 - decision-making
 - reaching consensus
 - possible town meeting format

NH Envirothon Competition: Tuesday, 5/18/27

Squam Lakes Natural Sciences Center, Holderness

2027 Envirothon Theme

Soil Health Management: Agricultural Principles and Stewardship
