

EMBARK ON A NEW ADVENTURE

JOIN THE NH ENVIROTHON!

Challenge yourself.
You won't regret it!

Live Free and Conserve!

Work with a team of five.

Train for a state-wide academic environmental competition in May.

NH ENVIROTHON CATEGORIES

Soils and Land Use

Wildlife

Aquatic Ecology

Forestry

CURRENT ENVIRONMENTAL ISSUE

2024 CEI Theme:

Renewable Energy for a Sustainable Future

The CEI is a challenge that teams problem solve and present to a panel of judges.

The CEI is also linked to all categories.

NETWORK & GROW

Learn practical skills, work outdoors, enjoy nature, and learn from Natural Resource Professionals.

Hands-on practical training combines environmental challenges, sustainable societal business, and local NH needs.
