MA IN ZOOLOGY FROM THE UNIVERSITY OF MONTANA  
PH.D. FROM DARTMOUTH COLLEGE

#### WORK WITH

- BIRD ECOLOGY SINCE GRADUATE SCHOOL
- NH AUDUBON SINCE 2000

## ➤ TYPICAL DAY

- Most of the time I'm looking at data or sitting in a meeting
- There are always opportunities to get outside and actually look at birds! These can range
  - from wading in a salt marsh -
  - to spending the night atop a mountain for early morning surveys of Bicknell's Thrush.

## ➤ FAVORITE PART OF THE JOB

I feel I'm doing the most good by putting my brain to work on larger conservation problems and collaborating with colleagues to devise and implement solutions

## ➤ OTHER INTERESTING ASPECTS OF THE JOB

No two days are the same.

If solutions can occur in the field it's a win-win!
