

# NH Envirothon Team Information & Tee Shirt Form

**Advisors: Please return this completed form to the NH Envirothon Program Coordinator by 4/1/24.**

email to [admin@nhenvirothon.org](mailto:admin@nhenvirothon.org) (preferred) OR

Mail to Margie Clark-Kevan, 125 Sherwood Lane, Jaffrey, NH 03452

Tee shirt size choices are small, medium, large, Xlarge, XXlarge

A school/group may register up to 3 teams, two of which may officially compete for state ranking.

Alternate team members may move from their previous designation to fill spaces for competitors on the competition day teams if the need arises.

If no need arises, they will compete as a separate team.

*Alternates/team three will compete for experience only in each category (they may choose to skip the Current Issue presentation) and cannot compete for state ranking.*

**A total of 15 students entered per school is the maximum allowed unless it petitions for a 4<sup>th</sup> team.**

*Alternates who compete **may** fill in at the National level if the school wins at the state level and the initial competitor cannot make the summer competition. [See NH Envirothon School Rules for details.](#)*

Alternates (and Middle school teams) compete at state testing sites as experiential learners. Alternates receive a shirt, certificate, pins, etc. The experience is the same for all students. Alternates cannot earn points towards winning awards at the state level but **can** fill in as back-up team A or B members at states or nationals. Middle school teams can place in the top three within middle school rankings.
