

Take on a new challenge! NEW HAMPSHIRE ENVIROTHON

State Academic Competition
Train as a team of five using website and live resources

THE NH ENVIROTHON MISSION

Obtain the knowledge and tools to make responsible decisions that address natural resource challenges facing today's society.

Address environmental challenges while maintaining a balance between the quality of life and the quality of the environment.

The NHE strives to:

- Foster the development of critical thinking, cooperation, and decision-making skills --- AND --- inspire ingenuity and creativity when problem-solving
- connect youth to the environmental, economic, and social issues in their own communities
- connect youth to conservation professionals
- promote a life-long commitment to environmental stewardship
- inspire youth to pursue natural resource careers

BUILD PRACTICAL SKILLS

NHE Categories

- Aquatic Ecology

**PROBLEM SOLVE
FOR YOUR COMMUNITY, STATE,
AND WORLD.**

Be the Change!

The Current Environmental Issue theme is Renewable Energy for a Sustainable Future.

The theme is linked to all categories.

Each team will develop solutions to a challenge focused on the CEI then present it to a panel of judges.

NETWORK!

MEET NATURAL RESOURCE PROFESSIONALS

Learn about various careers related to the outdoors, nature, and the environment.

REPRESENT YOUR SCHOOL

Compete as a team of five at the May 21, 2024
NHE state competition at NHTI.

The winning state HS team earns a spot at the North American NCFE competition in July.
